

Discover Debrecen: Studying at the University of Debrecen

The University of Debrecen in Hungary offers international students a wide range of English-taught programmes, from foundation and undergraduate study through to master's and doctoral degrees. Debrecen also offers university and private accommodation and a range of student services.

Study Opportunities

The University offers English-taught programmes across Medicine, Dentistry, Engineering, Business, Agriculture, Social Sciences and the Arts. Tuition fees, academic requirements and English language requirements vary according to the programme selected.

The following are current tuition fee examples highlighted in the source material. Students should confirm the fee and payment plan stated in their University offer before making a financial commitment.

Programme example	Current tuition fee
International Foundation Year	US\$6,000
Engineering Management BSc	US\$7,500 per year
Social Work in Health Care MSc	US\$5,500 per year
Management and Business PhD	US\$12,500 per year
Medicine	US\$16,900 per year
Dentistry	US\$17,500 per year

Application and Visa Process

The source material identifies a US\$150 application fee and a US\$350 entrance procedure fee. These charges are non-refundable. Applicants should check whether an entrance examination or admission assessment applies to their chosen programme.

WorldStudentAdvisors can help students identify suitable programmes, prepare and manage their university application and understand the Hungarian student visa requirements relevant to their circumstances.

Tuition Fee Payments

Tuition fees should be paid directly to the University of Debrecen. Students should follow the payment instructions provided by the University and in their Letter of Acceptance. **WorldStudentAdvisors** does not collect tuition fees from students.

Living in Debrecen

Debrecen offers university dormitories and private accommodation. The University currently estimates average living expenses at around US\$800 per month, although actual costs depend on accommodation, lifestyle and personal circumstances.

The Key Message

The University of Debrecen offers international students a broad range of English-taught foundation, undergraduate, master's, medical and doctoral programmes in Hungary. Tuition fees, academic requirements and English language requirements vary considerably between programmes.

Students should compare the course, entry requirements, tuition fees and total living costs carefully and check the conditions stated in their University offer. International students should also understand the Hungarian student visa and residence requirements that apply to them.
